BULLETIN #9 MINISTRY OF EDUCATION K to 12 HEALTH CHECK

To the Pattison High School community

As part of the school's continuing efforts to keep all of us safe, you are reminded to check in daily to the BC Ministry of Education K TO 12 Health Check site as shown:

<https://www.k12dailycheck.gov.bc.ca/healthcheck?execution=e1s1>

Download the site to your mobile device and complete the health check survey each morning before you leave for school.

If you are not feeling well, or you have symptoms as indicated on the health check survey, you are required to stay home and contact the school directly. Do not have anyone else make the contact on your behalf. Ask for your advisor, and explain your situation.

Do this at the start of every school day, before you leave home.

Thank you,

Daniel Chowne Dip.E., MA

Principal
