Media Lead **Enzo**

Through collaboration, event planning, and peer mentorship, Pattison High School's Student Council members develop organizational skills and gain experience in parliamentary practices. Within the PHS community, Student Council members promote citizenship, core values, and professional development through strong leadership. If anyone is interested in joining Student Council, they are highly encouraged to come and join!

spirit week

SPRING 2025

During our **Spring 2025 Spirit Week**, students dressed to impress following a different theme for each day. Students got cozy for PJ Day on Monday, following up with a retro Throwback Day on Tuesday. On Wednesday students showed off their favourite character, paired with a movie night including some delicious pizza and popcorn. Students showed up ready to play on Thursday's Sport Day, with Fancy Day wrapping up Spirit Week on Friday.

FALL 2025

wellness week

This semester, our students took part in **Wellness Week**, a series of meaningful activities promoting kindness, mindfulness, and community care.

From engaging in mental health exercises and anti-bullying initiatives to participating in a shoreline cleanup at Sunset Beach, our students came together to support one another and make a positive impact on multiple forms of wellness.

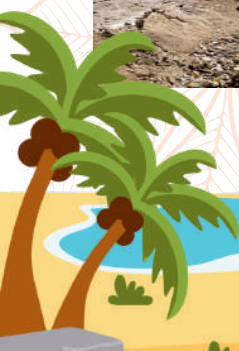

A huge thank you to our wonderful students and teachers for taking part in the shoreline cleanup at Sunset Beach!

They took responsibility to look after the environment and showed what being green can really do.

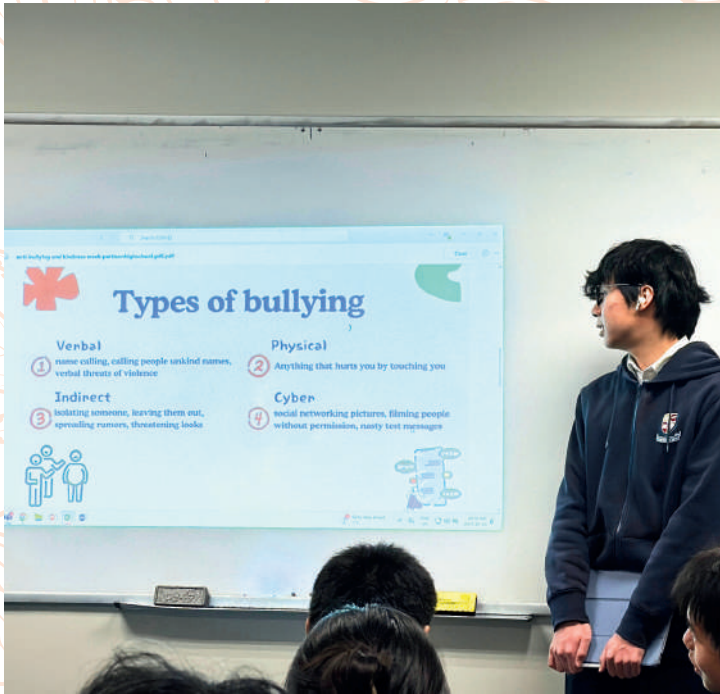

Your dedication in helping keep Vancouver's natural spaces clean and beautiful truly made a difference.

We're so proud of your commitment to caring for our environment!

wellness week

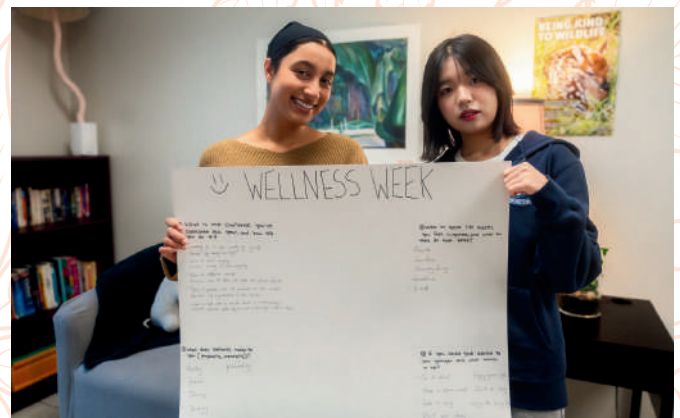

FALL 2025

Our Student Council delivered a thoughtful and impactful presentation on bullying awareness and prevention, highlighting the importance of kindness, empathy, and respect within our school community to create a safe and inclusive environment for all.

Our Wellness Counsellor, Ms. Gurman, has been a vital support for students, offering counselling and leading wellness activities that promote positive mental health and overall well-being.

activity day

Each term Pattison High School hosts an Activity Day allowing students the chance to explore the beauty and culture of Vancouver while building friendships and creating lasting memories beyond the classroom.

For our Fall 2025 Activity Day, students visited **Richmond's Pumpkin Patch**, where they enjoyed a glimpse of Halloween spirits and selected their very own pumpkins to bring home for Halloween festivities. The adventure continued at the **Richmond Olympic Oval**, where students took on the challenge of indoor climbing which encouraged perseverance and courage as they reached new heights.

Here at the pumpkin patch, students walked around in search of the perfect pumpkin. With Halloween just around the corner, it was also a perfect opportunity to find their way through a corn maze.

At the Richmond Olympic Oval, students geared up for a challenging yet fun-filled climb of the tallest rock climbing wall in BC.

Students were also given a tour to learn about the history of Olympic athletes and their intense training, as well as the history behind the Olympical Oval itself.

halloween

FALL 2025

This year, our Student Council came together to host a spook-tacular Halloween celebration that truly brought our campus to life. Every decoration, fun-filled activity and creative costume surely brought students and staff into the festive spirit. This Halloween was definitely a Halloween to remember as it captured the energy and enthusiasm of our school community.

Students had an incredible time participating in a variety of Halloween-themed activities, from classic trick-or-treating and thrilling games to creative pumpkin carving and festive challenges.

current student achievements

David P. Award-Winning Pianist

David started playing the piano at the age of six and is passionate about classical and jazz music. Some of his favourites are Chopin and Bach for classical, and Bill Evans and Keith Jarrett for jazz. In his years of playing, David won some notable recognitions, both nationally and internationally, among them was the Young Steinway Artist title in 2025! David strives to continue making music in college and beyond, aspiring to form his own jazz trio to share his passion for music with audiences worldwide.

Shian X. Certified Diver

Shian is an avid free diver and scuba diver, and also holds a mermaid license! For her, diving is a way to rediscover herself during the process of physical recovery. Underwater, she learned to control her breathing, relax her nerves, and remain focused under intense pressure. She hopes to continue extending this passion towards marine protection, scientific research, or other fields involving the interactions between humans and nature.

William P. National Level Basketball Player

William started playing basketball during junior high school in Taiwan. He has participated and found success in a number of tournaments playing as a guard for his team, including second place in the Taipei Education Cup, and fifth place in the National Chaunxu Cup. To him, basketball is a reminder that success takes practice, effort and heart. William hopes to continue playing basketball as a means of forming friendships and bonds both off and on the court. "Everytime I step on the court, I feel like I'm becoming a better version of myself."

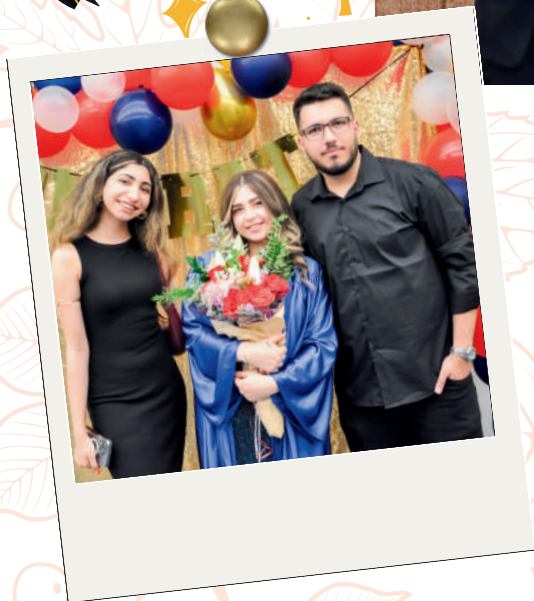

graduation day

SPRING 2025

As our **Spring 2025** term ends, our graduates celebrate both an end and a new beginning to different chapters of their lives. Pattison High School is proud to recognize and commemorate this important and joyous milestone in our graduates' lives. We are so proud of all they have accomplished and wish them all the best in their future endeavours!

Congratulations to our Valedictorian **Sonia**, for having received the **Certificate of Merit** scholarship.

SPRING 2025

graduation day

Thank you to those who have supported our graduates on their high school journey. Your continued dedication and support is so appreciated.

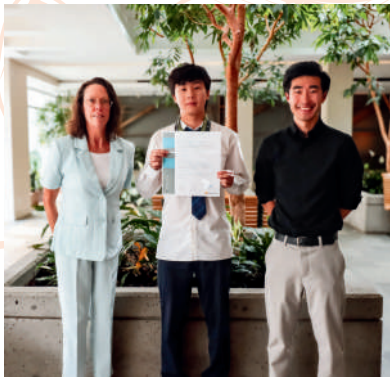

Congratulations to our Spring 2025 Graduates!

awards day

SPRING 2025

As each term comes to an end, Pattison High School comes together to celebrate our students' dedication and achievements. Students are recognized for their exceptional commitment and effort in their studies, while also honouring individuals who are on the Principal's List, Honour Roll, and those having outstanding attendance. This tradition highlights perseverance and inspires our community to continue to excel.

Congratulations to all of our **Spring 2025** award winners for their outstanding academic achievements. Keep up the great work!

what do our graduates say?

I hope you cherish every opportunity to work hard. No matter what your grades are right now, never underestimate the power of time. As long as you're heading in the right direction and keep going, you'll achieve more than you can imagine. Believe in yourself. You can always go further.

- **Kinsen Z.** Winter 2025 Graduate, UBC Science

Don't put too much pressure on yourself. Just remember: "All your hard work will be duly rewarded." Never give up when you face challenges, because the road of life is never completely smooth. Enjoy the rest of your high school journey, and I wish you all success and happiness in the days to come!

- **Tim L.** Fall 2024 Graduate, University of Alberta

Over time, this school became more than just a place to learn - it became our second home. And when I think back, I can see all of us in those memories - laughing in the hallways, sitting before class, sharing the moments that made these years unforgettable.

- **Sonia M.** Spring 2025 Graduate, Valedictorian

Studying at Pattison High School for two years gave me many valuable memories. I had so many fun and happy experiences, with wonderful teachers and friends who supported me in every lesson. The environment at Pattison was welcoming, and helped me become more independent and confident in both my studies and communication. I recently graduated and am now continuing my education while working hard toward my future goals. Thank you, Pattison - you'll always be a beautiful part of my memories.

- **Thi Ngoc Anh V.** Spring 2025 Graduate
